Watch the Vote on the Oklahoma Constitution.

It creates Harper county 28 by 40 miles, fine land, 12,500 population. Makes Buffalo (just platted and only town in county) the county seat. Sets aside five lots in each block for building county buildings. 1,000 lots free to 1,000 white families (already more than half subscribed) who agree to build and occupy 1,000 homes. Prior to opening day alternative business lots will be sold to builders only. Anticipating adoption of the constitution, 15 business enterprises, including two banks and two newspapers are there in temporary structures. Thirty-eight fine proof buildings are contracted. There was nothing here 30 days ago. On Sept. 28, the other alternative business lots and dwelling lots will be sold at auction beginning at 10 a. m. For 12 years every lot must pay \$5.00 annually into city treasury to push the town. Until two new railroads and completed go to Buffalo via Ashland, Kans., or Woodward, Okla. One day's drive from either. Thousands will attend. Start to Buffalo as soon as the papers tell you the constitution is adopted. If you want an out-lying job, a free home, a business opportunity or the best speculative investment in the West take your blankets and leave Woodward or Ashland for Buffalo two or three days before Sept. 28 that you may be sure of transportation.
